UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF NEW YORK

MOVANT DAVID ANDREW CHRISTENSON

STATE OF NEW YORK et al.,  
Plaintiffs,

v.

DONALD TRUMP, President of the United States, et al.,  
Defendants.

BROOKLYN OFFICE

Case No. 1:17-cv-5228 (NGG) (JO)  
Case No. 1:16-cv-4756 (NGG) (JO)

JUDGE NICHOLAS G. GARAUFIS

COMPLAINT FOR DECLARATORY  
AND INJUNCTIVE RELIEF

Motion to Join/Intervene

Order the Department of Justice to respond to my pleadings and writings and then decide. Mankind prevails if there is a response. The response itself will change the narrative and give Mankind a chance at surviving. Level the playing field. Evil destroys Evil and with-it Mankind.

The Senate approved BP Attorney (Kirkland & Ellis LLP) Jeffrey Bossert Clark for assistant attorney general for the U.S. Department of Justice's Environment and Natural Resources Division on Thursday, October 11th, 2018. Read my Amicus Brief in this case. Kirkland & Ellis "Of Counsel" William Pelham Barr, who served as the 77th United States Attorney General from 1991 to 1993 during the first Bush administration, has been nominated by President Donald Trump to serve as Attorney General of the United States. These individuals do not believe in climate change.

President George W. Bush was President in 2005 when Hurricane Katrina struck. Negligence by the Federal Government allowed the Katrina Virus to escape.

Barr was recommended by Presidents George H. Bush and President George W. Bush to become the Attorney General.

Will this keep President Donald Trump from being Impeached and Indicted? Will this keep President George W. Bush from being indicted? Review attachments: "The United States Supreme Court and The Katrina Virus" and "The Reluctant Patriot".

Godspeed. Sincerely,

David Andrew Christenson

An Epic Constitutional Crisis. I am talking about the political destruction of all three branches (Executive, Judicial and Legislative) of our Federal Government. One hundred and fifty five million Americans and Canadians may be infected with The Katrina Virus. Did the United States Supreme Court participate in the criminal cover-up? Misprision is a crime/felony. In simple terms it means that you had knowledge of a crime and did nothing. Did the Supreme Court have knowledge? YES! I gave them the knowledge. The real question is: what did the Supreme Court do with the knowledge of The Katrina Virus and the cover-up?

There was no simple way to present this story. I fully acknowledge that the material is presented in an incoherent manner. What you are reading is a compilation of my communications with the Supreme Court since my arrest for cyberstalking FBI Special Agent Steven Rayes on March 15<sup>th</sup>, 2011. It must be emphasized that I was arrested on a Louisiana Warrant (not a Federal Warrant as one would expect.) and I have never been charged with a crime. A Louisiana Search and Seizure Warrant was used by the FBI to steal my evidence, documentation, etc. of what happened in New Orleans after Hurricane Katrina. In simplistic terms chemical warfare contaminates were released from DOD and CIA classified facilities. The United States Military conducted operational missions in violation of Federal Law and killed Americans. 1500 Americans are still missing. Were the contaminated bodies recovered, analyzed and burned in Federal Government incinerators? Are some of the bodies being kept alive in vegetative states so that the Federal Government can study the long term effects of the Katrina Virus? (Remember the Syphilis Studies in Alabama and Guatemala.)

This is a Prelude/Reference Book/Appendix. The end of the story has not been written. Judgment must not be passed upon the Supreme Court at this time. The Supreme Court may have actually protected me. Think about it. Who could the Supreme Court have turned to? Congress and the Executive Branch are responsible for the murder, genocide, treason and crimes against humanity. The only option for the Supreme Court may have been to provide me with the protection needed, to not only uncover the truth about the Katrina Virus, but to bring it to the attention of American and Canadian people.

An Unedited Synopsis.

Please Google all names.

THE RELUCTANT PATRIOT  
By Captain David Andrew Christenson  
(Book Nine in a nine part series.)  
Library of Congress LCCN 2011940256  
ISBN 978-0-9846893-0-9 Hardback  
ISBN 978-0-9846893-1-6 EBook

Factual, documented and verifiable account of what happened to (The Author) Captain David Andrew Christenson, United States Air Force, on March 15<sup>th</sup>, 2011.

On the morning of March 15<sup>th</sup>, 2011 the FBI brought a 30 man SWAT team, with shoot to kill orders, to arrest Captain David Andrew Christenson for a non-violent, non-domestic, non-drug misdemeanor charge (Equivalent of a DUI or DWI.) of cyber stalking FBI Agent Steven Rayes. This was done under the authority of FBI Director Robert Mueller. Misinformation was provided to the press. Six months earlier on October 14<sup>th</sup>, 2010 (This is a very important date, see below) FBI Agent Steven Rayes contacted Captain David Andrew Christenson. Why did Agent Rayes contact Captain Christenson? Agent Rayes was a member of the uniformed Violent Crimes Task Force and he was not a true investigative type FBI Agent. Captain Christenson had been communicating with FBI Director Robert Mueller, Agents David Welker, Dewayne Horner, Joseph Downing, Kelly Bryson and Paula McCants. Agent Rayes was selected by Director Mueller to be the enforcer. Agent Rayes was an ex-enlisted Marine and street cop with no conscious and was someone who would blindly follow orders understanding the illegal mission. Agent Rayes was zealous and sadistic in carrying out his orders. Agent Rayes ordered Captain Christenson to email him at his official FBI email addresses. Agent Rayes commenced to harass, stalk, threaten, intimidate and assault Captain Christenson. On November 10<sup>th</sup>, 2010 Agent Rayes assaulted Captain Christenson at the Hilton Hotel in New Orleans. There was a DVD of the assault. The FBI used a Louisiana State arrest warrant and a Louisiana State search and seizure warrant. The FBI did not use Federal Warrants. This needs to be said again. The FBI did not use Federal warrants. Captain David Andrew Christenson has never been charged with a crime. The FBI claimed that two out of more than 500 emails sent to at least 10 different FBI Agents, including FBI Director Robert Mueller, by Captain Christenson were threatening. The emails were not threatening and were consistent with previous informative and political emails. Captain Christenson never received an arraignment, a show cause hearing or a preliminary examination as is required by law. Orleans Parish District Attorney Leon Cannizzaro asked for a \$500,000.00 bond. The Orleans Parish Criminal Court gave Captain Christenson a

record bond of \$300,000.00. Captain Christenson should have been released on his own recognizance or a \$10,000.00 bond. (An armed carjacker received a \$75,000.00 bond.) Captain Christenson was held for 11 days in the Orleans Parish Prison without being charged with a crime. After day three Captain Christenson was placed in isolation on the psychiatric floor of the house of detention (HOD) where he was medicated without his knowledge or consent. Attorney General Eric Holder directed Assistant US Attorney Billy Gibbens to represent Captain Christenson, which he did. Criminal defendants are not represented by US Attorneys. Billy Gibben's mission was to discredit Captain Christenson and to keep him in prison. The court record confirms this. Captain Christenson was to be permanently detained in a psychiatric hospital, medicated and discredited. The Louisiana State search and seizure warrant was used to steal evidence, legal files, the DVD of FBI Agent Rayes assaulting Captain Christenson, the DVD of the Danziger Bridge murders, etc. from Captain Christenson. United States Supreme Court files and communications and evidence of "The Katrina Virus" and pending Genocide were stolen as well.

**The Department of Justice classified Captain David Andrew Christenson as a terrorist.** This was done to bypass Federal Law and the Federal Judiciary. It was relayed to Captain Christenson that if he did not stop his research and quest for justice that he would be assassinated as a terrorist.

The FBI attempted to murder/assassinate Captain David Andrew Christenson while he was being held in isolation in the Orleans Parish Prison. Coast Guard Commander William Wesley Goetzee was not so lucky. He was murdered in the Orleans Parish Prison on August 7<sup>th</sup>, 2011. The FBI failed with Captain Christenson but succeeded with Commander Goetzee.

What was so important that the United States Government had to classify Captain David Andrew Christenson as a terrorist and then attempt to murder/assassinate him?

Chemical warfare ingredients, "THE KATRINA VIRUS", were released during Hurricane Katrina. The end result will be GENOCIDE for the residents of New Orleans. ("The Katrina Virus" represents all of the contaminants that were released from government research/laboratory, manufacturing and storage facilities. These facilities were controlled directly and indirectly by the Department of Defense and the Central Intelligence Agency and included public institutions such as local hospitals and medical schools. The Harvard University Medical School has been tasked with studying and tracking the long term health/medical issues and "The Katrina Virus".

**The United States Military killed, executed and murdered Americans during Hurricane Katrina and after.** A side note. Secretary of Defense Donald Rumsfeld had a very public disagreement with President George Bush concerning the use of the military. Captain Christenson does not recall there ever being a public disagreement between the President and the Secretary. What is strange is that the press never picked up on the disagreement. Secretary Rumsfeld already knew about what the military had done and was concerned about the liabilities. President Bush had to order Secretary Rumsfeld to send in the troops. General Russel Honore and the troops arrived five days after Hurricane Katrina. General Honore

confirmed to me that he was only responsible for what the military did after he arrived and not before. He was adamant about that. Both he and Coast Guard Admiral Mary Landry lost promotions, their next star and were forced to retire. Why the five day delay when plans and procedures require the securing of an urban area within 72 hours after a catastrophe. There were several reasons for the delay. "The Katrina Virus" would disperse. The DOD and the CIA, in connection with the United States Navy, could clean up the mess without having the press around. It was brilliant the way the Federal Government kept the press occupied with the rescue missions, the superdome and the convention center. Louisiana Governor Kathleen Blanco was intentionally manipulated by the Federal Government and made into a scapegoat. FEMA Director Michael Brown was manipulated as well.

The BP oil spill. To be Written.

The Danziger Bridge. To be written.

Books Seven and Eight will start in September, 2005. The US Military arrives in New Orleans in the days preceding Hurricane Katrina. The units were issued millions of dollars in cash in satchels. Confirmed by Teresa McKay, Director of Department of Defense Finance and Accounting Service (DFAS). Teresa's husband, Jeffery McKay, and I attended the Air Force Academy together and were roommates in flight school. JK works in the Pentagon and is also one of my sources. In the days following Hurricane Katrina President Bush and Air Force One did a flyover of New Orleans but did not land. The White House issued a press release stating that security was not in place and that the President's landing would detract from the rescue missions. As an Air Force Pilot I flew support missions for the President, Air Force One and the Secret Service. I am intimately familiar with their procedures and protocols. President Bush and Air Force One did not land because The White House did not want to infect the President and his staff with "The Katrina Virus" as was confirmed by Ambassador Donald Ensenat. Security was in place and Belle Chase Naval Air Station was operational and secure. The senior leadership in New Orleans gave blood and DNA samples. This as well as other connections to "The Katrina Virus" were confirmed by Mayor Ray Nagin. After the Hurricane, USAA Insurance (A military insurance company run by Generals and Admirals with strong ties to the Pentagon.) informed us that they would be paying our claim because of the long term health issues that we would face. What did USAA know? In February, 2006 we purchased a condominium, under fraudulent circumstances, from Louis (Lee) Madere. He was the Louisiana State Grand Jury Foreman for the Danziger Bridge Murders. (*I cannot invent the truth*) The Catholic Church had filed a class action video voyeurism lawsuit against him. Madere entered the Federal Witness Protection Program on October 15<sup>th</sup>, 2010 (The important date from above.). Secretary of HUD, Mayor and Judge Moon Landrieu, the father of Senator Mary Landrieu and Mayor Mitch Landrieu, was a major source of information.

State Farm Insurance and the murder of prominent Los Angeles attorney James Robie of the Robie Matthai Law Firm. To be written. Please review your homeowner's policy. The medical liability provision of the homeowner's policy is substantial larger than the property loss provision. A \$100,000.00 home could have a \$5,000,000.00 medical liability provision. The loss to the insurance companies would be trillions of dollars if it was shown that "The Katrina Virus" was released.
